This neat, tidy and very affordable home is tucked away in a quiet court in Ascot, in short proximity to Epsom amenities including Epsom Village Shopping Centre, Epsom schools, kindergartens and day care centres, and public transport facilities. Positioned on a generous sized allotment, it is as solid as a rock and the perfect family sized home for those not wanting to break the bank in a time where a big mortgage can be a burden! Ideally suited to a first home buyer or downsizing couple alike, the modern brick home features a floor plan that has just had new carpets installed and a fresh lick of paint throughout. Boasting four bedrooms in total – three have built in robes and the master has its own ensuite and walk in robe. The main bathroom is located in the kids wing of the home along with the laundry and separate toilet. Spacious living rooms are situated at either end of the house, separated by the combined kitchen and meals area. Ducted heating and cooling flow throughout, whilst there is a double auto garage at the front. The established allotment measures approx. 697m², with freshly laid turf and landscaping mean the makings of a fantastic garden and yard are already there. The front yard is looking on point, the back yard is secure for kids and pets, there is great scope for a decent sized shed and covered outdoor entertaining area, and also room to grow your own ideas! Available with vacant possession immediately, this property will be well worth your time and inspection. Call now to arrange an appointment.
