\$830,000

Nestled within the heart of Upper Coomera, 5 Gannon Way offers a brilliant living experience on a 612 sqm elevated block, boasting stunning vistas of the Gold Coast skyline. This exquisitely, awe-inspiring, recently renovated family home harmoniously combines modern, stylish design with comfort and convenience. A true gem, it promises the allure of Surfers Paradise views and an elevated lifestyle that must not be overlooked.- Two distinct living areas including a sun-drenched formal lounge to accommodate various family activities- The magnificent new kitchen is equipped with BOSCH stainless steel appliances, electric cooktop and oven, and ample storage.- The spacious master bedroom is a haven, featuring a sophisticatedly renovated ensuite and a generous built-in robe.- Security screens envelop the home, complementing the airiness and natural light that permeate the space.- The main living/dining area benefits from split system air conditioning, fostering year-round comfort.- Low-maintenance living with Hybrid flooring that combines the best attributes of laminate and vinyl- 6.6Kw of solar power installed to save you money plus fibre-to-the-premises NBN if working from home.- Oversized DLUG with additional storage space for tools & toys or home gym, plus separate renovated laundry- Outdoor living thrives with room for expansion or a dream pool, ideal for quality family time and leisure.- Proximity to educational facilities, shopping at Westfield, dining, and public transport enhances the property's allure.
