Commercial Development Opportunity

Without a shadow of a doubt these TOWNSHIP INDUSTRY PRECINCT zoned properties are going to be gold in the right hands. Positioned next door to the biggest shopping complex west of Caboolture, the only limits of possibility is your own imagination. Woodford is crying-out for more small commercial development and this will be the answer. I have spoken to many locals and the verdict is in, we need more commercial facility's. Nobody wants to drive to Caboolture just to do things we should take for granted like washing the car. 4 Lots available as a WHOLE or INDIVIDUAL sale. 2 vacant lots and 2 lots with dwellings. Current development approval in place for 5 George Street for health care services.
