\$292,500

With an expected weekly return of \$320-\$340 a week, this would make a great investment as well as equally suited for the first home buyer wanting room for the family. Renovated throughout this home is an exceptional buy. Featuring 4 good sized bedrooms, master bedroom complete with built in robes. The family bathroom is conveniently located opposite the bedrooms complete with bath, shower, vanity and dual access toilet into the laundry. The updated kitchen features electric oven with gas cooktop and dishwasher. Complete with 2 gas heaters plus 4 split systems, year round comfort is guaranteed. Separate living areas at the front and the rear of the house will bring an end to the TV arguments for good. Outside there is an undercover entertaining area along with a secure rear yard, established lemon and orange trees and a handy 6m x 3m garden shed. Recently painted inside and out. It's rare to find a home in this area that has 4 bedrooms and 2 living spaces so don't wait to inspect this property, call Jock or Nicole today.
