HERE'S THE STORY This property is just that little bit different... In a suburb renowned for its prestige it is often difficult to find a home which offers genuine value for money. With 5 Gregory Place, not only do we believe we can offer real value, we have made every attempt to price our recently painted and carpeted property appropriately in order to find a great long term tenant. The bedrooms are HUGE, the kitchen is HUGE, there are 3 bathrooms and 2 separate powder rooms, an upstairs and downstairs living area PLUS 2 study options on top of the 5 bedrooms on offer. The tiled kitchen/dining area is filled with natural light and overlooks a rear balcony which provides brilliant views of the suburb. The large yard is easy care and is perfect for kids to play. All in all this property is a fantastic opportunity for those looking for size, quality and location in the one home.
