Nestled in a quiet court opposite a park, this contemporary four-bedroom home (plus a study) offers an ideal introduction to spacious family living. The open floor plan features a bright living and dining area, with a sleek kitchen featuring ample bench space and a dishwasher. Outside, enjoy the ease of a low-maintenance garden with an undercover area, perfect for outdoor entertaining. The double garage with remote control access and both internal and external entry points is a huge bonus. The home includes four large bedrooms with built-in robes, a master suite with a walk-in robe and private ensuite, a luxurious main bathroom with a bathtub and walk-in shower, ducted heating and air conditioning, a hidden laundry, a separate toilet, plenty of storage space, and a rainwater tank. Located in a peaceful setting, this home is ideal for the first home buyer, investor or downsizer.
