This three bedroom home has been fully renovated offering modern open plan living. The property is light and bright and offers reverse cycle air-conditioning for both weather extremes. The main bedroom offers a walk in wardrobe/study and the entry is roomy enough for nice reading nook. The bathroom offers a walk in shower and second toilet and the roomy laundry has a good folding/storage bench. A double garage with power and a large yard completes the picture. Mountain views, school bus service and of course the Maydena Bike Park. An inspection is a must.
