This original three-bedroom classic on an easy care 314m² allotment (approx.) introduces an extraordinary opportunity for creative visionaries with an eye for value to eagerly embrace the potential and write its next exciting chapter. Set behind an easy-care bagged and painted exterior, three carpeted bedrooms served by the family bathroom share the single-level floorplan with a generous, traditional lounge-dining. Enhanced by timber floors and decorative cornice, it sweeps around to a kitchen where gloss-finished cabinetry wraps around stainless-steel appliances, and a breakfast bench invites you to sit and chat with the chef. An easy-to-manage rear yard provides relaxing outdoor spaces and a blank canvas for your alfresco ideas. Alternatively, you may decide to start over and from scratch and unleash the potential to match the equally alluring prized lifestyle location. Zoned to Templestowe College and Templestowe Park Primary, the bus stop and all the delights of Templestowe Village are literally footsteps away, as is the preschool. Westerfolds Park and the environs along the Yarra are a short walk away, and a quick drive will have you at The Pines and Doncaster Shopping Centres. ***PHOTO ID REQUIRED AT OPEN FOR INSPECTIONS***
