Located in a charming streetscape near Church Street, this beautifully renovated residence offers ample family spaces and a spacious garden perfect for family enjoyment. Behind an attractive façade and well-established gardens, this home features character-filled interiors that include a well-defined formal living room and adjoining dining room. An expansive open-plan living/dining area enhances the home's appeal, creating a memorable living environment. The kitchen is bathed in natural light and showcases high-quality appliances, gas cooking facilities, and generous counter space. Upstairs, there is a study area or teenager retreat along with four lovely bedrooms. The master bedroom upstairs includes built-in robes, an ensuite bathroom, and a sauna. Downstairs, the family and meal rooms open up to a splendid garden, ideal for entertaining. Additional features such as polished floorboards, an exceptionally large double garage, ducted heating, cooling systems, and a separate laundry further enhance the home's appeal. This residence seamlessly combines the charm of its original era with modern flair, presenting a highly desirable home. BOOK INSPECTION THROUGH ENQUIRY. PHOTO ID REQUIRED IN ALL INSPECTIONS.
