This stunning bluestone home is a must see property! Situated in beautiful Olinda and just a few minutes walking distance to the shops and cafes in the main street and Olinda Primary School! The master bedroom is excellently sized, features a walk-in wardrobe and private ensuite, while bedrooms 2 and 3 are well-sized, feature walk-in wardrobes and are serviced by the main bathroom that includes a bath. The kitchen includes a gas cooktop, dishwasher and plenty of cupboard and bench space. A separate dining space compliments the kitchen allowing you to entertain friends and family. Adding to the living space is a separate lounge and a separate family room. Both rooms are spacious and include their own special features, the lounge with a classic, bluestone bar, and the family room with slate flooring and a coonara for heat. The home also features gas ducted heating throughout for those cold mountain nights. Finally, a separate laundry and private study complete the interior of the home. Outside, you are surrounded by the stunning nature found on Mt Dandenong. An abundance of native birds, beautiful gum trees and so much more! The massive decking on the property gives you even more space to entertain, or to simply relax and admire your surrounds. Finally, a single garage with rear workshop completes this character home. Be quick to inspect, this unique opportunity won't last long! PLEASE NOTE: The large open fireplace shown in the photos is purely decorative and is not a functional fireplace.
