Located in a quiet cul-de-sac is this fabulous four bedroom home. This property is the definition of immaculate, both inside and out! Not a stone has been left unturned - this home has been thoughtfully updated and meticulously maintained by the current owners. The functional floor plan and comfortable living here ensures it will be well suited to the next family that are fortunate enough to love and call it their own! * The stunning kitchen is a focal point, featuring a large island bench/breakfast bar with ample storage, a waterfall stone benchtop, stainless steel appliances including a dishwasher, a walk-in pantry and gas cooktop.* The open-plan kitchen and dining area create an ideal space for entertaining and flows seamlessly outside to a covered timber deck and an outdoor entertaining area in the peaceful backyard.* The kitchen/dining area benefits from a large double-glazed skylight with remote blinds and double-glazed doors, enhancing the overall comfort providing a temperate environment throughout the year and plenty of natural light* Separate lounge room is tucked away creating a cozy retreat and features split system air conditioning* Both bathrooms have undergone beautiful renovations with matching color palettes. Modern features include grey floor-to-ceiling wall tiles, black fixtures, and the three-way main bathroom has a separate toilet and vanity* All four bedrooms have ceiling fans, main bedroom has split system air conditioning, built in robe, ensuite bathroom and roller shutters* The fully fenced backyard exudes a resort-style ambiance with immaculate gardens and lawn. There's ample space for children's toys and family pets* Parking is made easy with a double remote garage featuring mezzanine storage, through access to the yard, a double driveway, and an off-street parking space for a boat or caravan.* Hybrid flooring throughout living areas, separate study and 5kw solar panels amongst all the other quality extras here
