SOLD by Jellis Craig. This exemplary residence on 780m² offers the very best of family functionality, with a focus on flexibility and style. Designed with modern living in mind, the whole property enjoys thoughtful zoning, lots of living space and a discernible feeling of quality from top to bottom. The immaculate split level format delivers 4 beautiful bedrooms with built-in robes (main with ensuite and walk-in robe), a pristine family bathroom, open study and a spacious open plan kitchen boasting stainless steel appliances, island bench and walk-in pantry. The open plan meals/living zone provides an inviting space where families can gather, complemented by a spacious family room, formal lounge and flexible sitting room/2nd study. A covered alfresco zone and sun-bathed decking create fantastic outdoor dining options, while the long list of extras includes ducted heating, split system air conditioning, ceiling fans, integrated double garage and more. Moments from Diamond Creek shops, St Helena College, bus and Diamond Creek Trail, you'll need to be quick to make this one yours!
