Terrific cul-de-sac location at Hunterview for this lovely 3 bedroom home. Positioned on a large and level 894m block, the backyard is expansive and includes a pool, vehicle access and ample room for kids and pets. The home includes 2 separate living areas and the recently replaced central kitchen overlooks the family room and backyard. Near new kitchen includes modern appliances and stone bench tops plus a large breakfast bar. The modern bathroom includes a spa bath, 2nd WC and floor to ceiling tiles. All 3 bedrooms have built-ins, ceiling fans and are of generous proportions. Master bedroom features a lovely and private attached outdoor area. Recently kids bedrooms have had new carpet laid, and most of the home has been recently painted in the last 6 months. Drive through double garage provides backyard access and room for 2 vehicles. A separate 3rd bay of the garage has been lined and converted to 4th bedroom/sleepout and inc. split system AC. Also: pool, AC & solar panels.
