This 2020 Ritzco built home on almost a 2,100 sqm block is the complete package. With an enormous 350 sqm under roof, the family has endless room to spread out in a luxury setting. The front facade is beautiful and the entry sets the scene for what's inside. Beautiful timber look tiles throughout make this feel like home from the beginning and the floorplan inside is perfect for a modern family. Outdoor lifestyle is one of the most important factors in a modern home, and here is one of the best. A perfectly positioned pool and backyard that's protected from the afternoon sun. The kids and pets are spoiled for play room here, the kids have their playground for year round fun and the shed to the right side is the perfect place to store everything the family needs. The Master suite is truly spectacular! A two way wardrobe, flawless ensuite with a free standing tub, chandelier, vanity with mirrors and feature lighting, this is where you'll feel right at home. The main living and extension to the alfresco offers a flawless blend of indoor and outdoor living. High ceilings give the feeling of space and the blacked out theatre room to the side makes this the ultimate entertainer for the family. The kitchen and hidden butlers pantry are as luxurious as they come. An enormous gas cooktop and oven, island bench and endless natural light from the atriums make this the ideal hub. The remaining bedrooms are all oversized with splits, built ins, block out blinds and study nooks, the third has a walk in robe and completes this family abode perfectly. The complete package, which is the perfect example of what big block living is all about. Luxury on a new level!
