\$800,000

An extraordinary opportunity to purchase a large and fabulous near new home in a prestige location and avoid the lost time, piles of paperwork and general stress involved in a new build. Fully climate controlled with double glazed windows this very private home includes a generous lounge/theatre room, tiled family room opening to the alfresco area, fully equipped open kitchen and meals space with gas and electric cooking, great cupboard and prep space plus a butler's pantry. Also included are five double bedrooms with a walk-in robe, double vanity ensuite and separate toilet to the main and built-in robes to all the others. The tiled family bathroom has a full bath and separate shower recess, the laundry has built-in storage and there is a very handy home office. Tempting extras comprise an under main roof double garage with an automatic tilt a door and secure, weatherproof access into the kitchen, fifteen by six metre steel shed on slab with roll a door and power, private fire pit area, landscaped yard, under house storage, rainwater tank, excellent fencing and dual access. Property Code: 2814
