What a great opportunity to enter the market for the first time or maybe an investment. This House in Morphett Vale, comes with a granny flat, great for extended family or an income if rented out. It is in a quiet Cul De Sac, in a lovely street in one of the nicest parts of Morphett Vale. The house and granny flat, gives you 6 bedrooms and 2 bathrooms combined, a rare find indeed. The house has three living areas, and an undercover entertaining area at the back, also extra shedding at the back, with undercover parking and room for a boat or bikes. The house has 2 living areas and 4 bedrooms. Granny flat offers its own bathroom, kitchen, living and dining area with 2 generous size bedrooms. Separate access to the flat via side gate of the house. It is close to all amenities, schools and public transport and the expressway in only a short drive. This house would be an ideal family home, or would also make a good rental investment. It is in excellent condition and has great street appeal. This property won't be around for long, private inspection only. Please call Andrew on 0416 165 545 Future Realty SA. RLA 323567
