This 4 bedroom plus study home on a generous block of land in a quiet court is within easy walking distance of schools, the train station, the new Macedon Ranges sports complex and the Baringo cinema/restaurant/hotel hub. It is an ideal family home with excellent bus-to-school transport nearby and conveniently placed for the Melbourne freeway on/off ramp. With two lounge areas, an excellent kitchen hub with central bench, WIP and adjoining meals area, the home is logically laid out. Three children's bedrooms have their own family bathroom, while the generous main bedroom has a WIR and ensuite. A nearby study is ideal for family or business usage. A huge covered alfresco area is ideal for entertaining and overlooks the big back garden with its 6 x 6 metre shed (2 roller doors, side door, concrete floor and power) and separate covered wood enclosure. 2 split systems, a wood combustion heater and a DLUG with rear access complete a very enticing picture.
