The original farm house for this area, 5 Inlet Place sits proudly at the head of the cul de sac on a large 1416sqm block. Having been in the same family for almost 70 years, it is time to find new custodians for this classic Narooma home. Could it be you? Constructed from local hardwood, the house has good bones and would suit a restoration/renovation project. Alternatively, keep it "as is" and use as a beach shack for your coastal holidays. There are 3 generous bedrooms, 2 with built in robes plus a sunroom with lovely inlet views. This home holds many years of family memories and feels like a warm hug as soon as you step inside. A freestanding single garage and workshop space under the house also provide heaps of storage. Within walking distance to the Narooma/Dalmeny shared pathway you can walk to the Boardwalk, Bar Beach and boat ramps or head over the bridge and grab a coffee at one of the cafes.
