Resonating a sophisticated aura that begins with a peaceful and low-traffic enclave, fashionable design blends with desirable privacy within this three bedroom, two bathroom residence. When first impressions count, you'll be enchanted by the richly warm floorboards that stream through the open-plan living and dining room. Here you can open wide the tri-slide door to create that highly sought-after indoor/outdoor flow to the alfresco courtyard. At one end of this entertainer's space sits a sparkling stone waterfall-end peninsula where you can chat with friends while cooking in the premium kitchen with mirrored splashbacks and Smeg stainless steel appliances. Upstairs, the master bedroom boasts a large built-in robe and a floor-to-ceiling tiled ensuite. A study nook precedes the fully-tiled bathroom with a relaxing tub. Adding exceptional comfort, there's a powder room, concealed heating/air-conditioning, a single auto garage and an off-street car space. Zoned for Ivanhoe Primary School and only moments from Ivanhoe Grammar and Ivanhoe Girls' Grammar School, walk to the Austin Hospital, beautiful Darebin Creek Trail and buses to the city, vibrant Ivanhoe Village and the train station.
