Best Offers By 12pm Thursday 29/02/2024 Located on the eastern side of town, 5 Jackson Avenue, Strathalbyn offers a location within walking distance of township amenities. The 1958 built home spans across 175m² of living through 3 bedrooms, 2 bathrooms, a family area and lounge. The mid-century character home boasts a rendered façade overlooking the large fenced front yard. This space can be made into a private yard for the kids to play or for the keen gardener to get their hands dirty. Inside the home the updated kitchen offers ample bench and cupboard space, a centre island and modern tapware. The open plan flows through kitchen dining and family, ideal for interactive living. The large separate lounge provides options for families or couples alike. An opportunity for a playroom or quiet space to kick back and relax. The home is kept comfortable all year round with dual split system air conditioners and slow combustion heating. The master bedroom offers built in robes and close access to a bathroom, with a few small changes this could easily become an ensuite. The remaining two bedrooms are a generous size with built in robes in bedroom 3. The rear sunroom is ideal for a study nook. For the commuters, Adelaide can be reached in 45mins and Mount Barker in under 20mins. Don't miss this opportunity!
