Positioned on 5 undulating acres (approx) of sprawling parklike gardens with mature trees, this picturesque property offers the epitome of the good life. With a charming blend of wide open spaces and family residence, the package is perfect for those seeking an amazing opportunity and serene lifestyle. Providing ample room for the growing family, residence has been well configured across two levels comprising five-bedrooms plus study, two spacious living areas, formal lounge, separate casual living and dining area with a cosy wood heater and country-style kitchen in the heart of the home. Situated on a floor unto itself, the master bedroom boasts his-and-her robes, an ensuite and study, while a guest room with ensuite, full third bathroom servicing the junior bedrooms and a fifth bedroom / study have the abode very well accommodated. Outside, the grounds offer a family oasis with several paddocks, ample room for horses, 2 workshops and machinery shed. This unique offering offers potential only limited by our imagination. *Please note: Photo ID is required for all inspections*
