Nestled in the heart of the desirable White Hills neighbourhood, this remarkable 5-bedroom, 2-bathroom family home is a masterpiece of modern living. With a design that seamlessly blends comfort and style, this 8-year-old residence offers the perfect environment for your family's needs. The home's interior is thoughtfully designed with a second living room to the left of the kitchen, and concertina sliding doors that extend the dining space to the large alfresco area, complete with ceiling fans, creating an ideal setting for year-round entertaining. For the hobbyist or DIY enthusiast, the property features a spacious workshop and shed with 3-phase power and ceiling fans, providing ample space for all your projects. The shed, measuring a substantial 16m x 7.5m, is complemented by a skillion on the side, offering an additional 16m x 3.5m of workspace complete with a concrete floor. Inside, you'll find a well-appointed kitchen with a butler's pantry featuring Miele appliances, including an induction cooktop, dishwasher and two ovens. Ducted heating and cooling, along with heat banks throughout the home, ensure a comfortable climate, and ceiling fans provide added airflow. Adding to the home's appeal is a separate dedicated laundry/cloak drying room. The property features automated access gates and a fully fenced yard, perfect for peace of mind. With the convenience of solar panels, and ceiling-to-floor cupboards throughout, this home combines luxury with practicality. Step outside to the fully landscaped garden, creating a serene outdoor oasis. Located just a stone's throw away from the Botanical Gardens and Garden for the Future, your family will have endless opportunities to explore nature. Plus, the home is in close proximity to schools, shops, and a bus stop, making daily life a breeze. Don't miss this extraordinary opportunity to make this luxurious property your forever home.
