Offers over \$699,000

Discover the pinnacle of energy efficiency and modern living at 5 Lyndale Place, Fernvale. This four-bedroom, two-bathroom Alpha-ess home is not just a residence – it's a testament to sustainable living. Nestled in a serene cul-de-sac, this property boasts a spacious double garage and an outdoor alfresco area perfect for family gatherings. But what truly sets this home apart is its remarkable energy-saving features. With a state-of-the-art 10kW solar panel system adorning the roof and a powerful 20kW battery pack with blackout protection, your power worries are a thing of the past. Plus, enjoy abundant, sustainable energy while significantly reducing your electricity bills. Located just minutes from urban amenities like Fernvale Shopping Complex, parks, sporting clubs, and schools, yet nestled in a tranquil neighborhood, 5 Lyndale Place offers the perfect blend of convenience and serenity. Set on a generous block of 1093m², this home provides ample space for outdoor activities and potential expansion. Experience the peace of mind that comes with knowing you're not just living, but thriving, in an eco-conscious home. Call Dennissey on 0434 989 895 and discover the endless possibilities awaiting you.* Please note some images have been digitally edited.
