This truly is the entertainers' dream and the space inside is phenomenal. Located in a quiet cul de sac, the stamped driveway leads to the double lock up garage with automatic panel lift door and internal access to the wide hallway. All four bedrooms are large in size, the master with ensuite and walk in robe. Ducted air conditioning throughout but you won't need it if you're enjoying the stunning inground pool surrounded by beautiful gardens. Main bathroom with separate bath and shower, and ensuite with large shower and privacy wall to the toilet. The living spaces are huge – bring the 10 seater table and corner lounge, there's plenty of room here. Kitchen with dishwasher and massive fridge space for the side by side. Fully secured screened and fully fenced. ** Pool servicing is included in the rent but tenants pay for chemicals
