Situated within the picturesque Thornhill Park community, on offer is a light-filled 4-bedroom family home in a quiet pocket, ideal for first home buyers, growing and established families and investors to make their mark on. Stepping inside, the traditional entryway flows through to a choice of four dedicated spaces throughout the open plan living and dining zone. A separately zoned living area is perfect for use as a formal sitting room or kids' playroom, while the combined dining and family space acts as the heart of the home where everyday life takes place, and finally, the adjoining retreat is ideal for a second family/lounge room, ensuring everyone can enjoy their favourite shows. Throughout the warmer months, bring the outdoors in by opening the stacker doors, or head outside to the undercover alfresco area to enjoy summer barbecues long into the night. While adults dine and catch up, kids and pets can run and play, enjoying the large flat expanse of thick, luscious grass underfoot. Beautifully appointed, the premium entertainers' kitchen showcases quality stainless-steel appliances, including 900mm gas cooktop, built-in oven and dishwasher, complemented by a deep double sink and an abundance of storage throughout, including a walk-in pantry. Completing the picture, the expansive breakfast bar with feature pendant lighting creates an informal eating area or can be utilised as a centrepiece for a buffet-style occasion. With rest and rejuvenation a priority, the home comprises a total of four bedrooms, with each set atop plush carpet. The elegant master suite enjoys an oversized walk-in robe, flowing through to a luxurious private ensuite with a glass shower, double vanity, and separate toilet, while three additional bedrooms are superbly fitted with a built-in robe each. Centrally located, the family bathroom offers a choice of deep bathtub or glass corner shower, plus a vanity with storage and a conveniently located separate toilet. Finished to the highest standard, floor-to-ceiling terrazzo has been paired with finger tiles and accented with sumptuous curves of the arched mirror, creating a unique space for getting ready for the day and unwinding at the end of the week. Other features include double lock up garage with internal and rear yard access, large laundry, and ducted heating and evaporative cooling for year-round comfort. Perfectly positioned, the home is within walking distance to plenty of local parks and Aspire Childcare Centre, while only a short drive to Thornhill Park Primary School, both Rockbank and Cobblebank Railway Stations, Bacchus Marsh Grammar, and Cobblebank Shopping Village. Poised moments from the Western Freeway, trips to the city, Melbourne Airport and regional areas are completed with ease.
