\$662,500

Just released to market and available to inspect, this oversized 4 bedroom residence with waterfront views is perfect for a family who loves entertaining! Located on glamorous Malibu Drive this contemporary home is filled with all the modern luxuries. Providing ducted air conditioning throughout, 4 rooms with built in wardrobes naturally sunlit through large view windows, with one being preferable to a quiet office space. Featuring a media/lounge room plus very large living/dining area that boasts a floor to ceiling display case. Hosting 2 bathrooms one within the primary bedroom ensuite, the other a seperate shower & bath with detached lavatory. Your spacious kitchen is complete with a walk in pantry and seats 4 along the island counter breakfast bar. Fully fenced property and double parking space in the automatic door garage. The home is hooked up to enviromentally friendly 5kw solar power, plus the front lawns take care of itself via an automatic sprinkler system! There's an undercover patio area with views falling directly on the canal, ample backyard space and beautiful granite blocks that accent the serene canal seating and fire pit area. -this house keeps on giving!
