With instant street appeal courtesy of its full length front verandah, turned timber posts, fretwork and finials, this is a home that's big on charm as well as convenience. Step inside and the charm continues, with the central hallway featuring polished hardwood floors, high ceilings and more timber fretwork. A cosy front lounge is the ideal place to relax quietly, while the open kitchen/living zone at the rear of the home is the place to gather, share a meal and interact. The galley kitchen features stone benchtops, farmhouse sink and 900mm oven. The gas log fireplace is a focal point (who doesn't enjoy sitting watching flames dance?) while out through the north facing sliding door you'll find a private timber deck where you can entertain or just kick back with your favourite beverage. Main bedroom with walk through robe and ensuite, with the other two bedrooms sharing the main bathroom, complete with claw foot bath. Double garage with rear roller door for backyard access. All on a low maintenance 509m² block located a comfortable 1km walk from Drouin shops and supermarkets. If you're tired of the 'same old' houses, come and be captivated by a home with character and charm.
