This charming property is a great find! With three bedrooms and a central bathroom featuring a soaking bath, it offers comfort and convenience for its occupants. The kitchen with modern stainless steel appliances is perfect for cooking delicious meals, and the reverse cycle split system ensures a comfortable temperature year-round. The solid fuel heater is a cosy addition, especially during colder months. The home has been freshly painted and new carpets give it a fresh and inviting feel. An additional bonus with Solar electricity connected. Being close to the V-line train station provides easy access to transportation, making commuting a breeze. The proximity to the Botanic Gardens and the Campaspe River walk offers opportunities for nature lovers to enjoy peaceful strolls and scenic views. Additionally, the property is priced to sell, making it an attractive option for first home buyers, investors, couples, and retirees. Its neat and complete features make it a great entry-level home. Land size 829m2 approx.
