- Large, light and bright North facing living room with plenty of space for furniture configuration
- Multiple heating options including reverse cycle heat pump
- Large kitchen and dining room allowing for hosting of family events with ease

There is so much to like about this one - located in a popular cul-de-sac closer to schools, walking tracks and the Upper Burnie shopping precinct. A wonderful home for the professional couple, the family, the downsizer or sea changer - don't delay schedule your viewing today. *Harcourts Burnie has no reason to doubt the accuracy of the information in this document which has been sourced from means which are considered reliable, however we cannot guarantee accuracy.
