Cam's done it again! In a market that other Agents are claiming is not ideal for selling, Cam has just set a new record price for a residential home in Kariong! What's more, it was achieved off market, with zero marketing or advertising. Getting a good price is one thing, getting a great price in this market, that's a Cam thing. With now the top 3 Sales in Kariong of 2023 and a suburb record to boot, the message is clear: Your home is worth more with Wiseberry! For more information on this sale or if you have any questions regarding the value of your home, don't hesitate to call Cam on 0410450777.
