Love the location, relish the relaxed beachside lifestyle on offer and simply jump at the chance to snap up a comfortable sun-filled home from which you can stamp your style and really make your own. Situated in a quiet pocket of Chelsea and nestled on approx 534sqm, the home has been freshly painted and features glossy hardwood floors which flow seamlessly throughout. Warm & welcoming, it includes a bright lounge and separate dining area along with a large garden-view kitchen with gas cook-top. All three bedrooms are of generous proportions, two boast built-in storage, while a modern bathroom, full laundry and separate WC are all included. With both ducted heating and split system heating/ cooking, the home is move-in ready, but its real beauty lies in the possibilities it presents for the future. Undertake some easycosmetic updates, extend/ renovate to suit your own individual needs or potentially start again with a brand-new luxury showpiece (STCA).Close to parks, schools, transport and shops, this is a magnificent opportunity to make your dreams of living by the bay-side a reality!For more information, please contact Sam Gotzilianis on 0422 880 031 from Barry Plant today.
