5 Newbridge, Murray Bridge, SA 5253

Area: 684 m²

Type: Residential Land

John Leahy (for RLA205820)

\$1,001

The dream of living near on a golf course, with the views and benefits of lush lawns out the back, with the added bonus of someone else looking after it, has never been more achievable and with this allotment at 5 Newbridge, measuring approximately 684sqm in size with an 18m frontage and 38m each side, the opportunity is a reality. Newbridge is a new and exciting development on rare land this close to the main CBD. No detail has been left to task with water, sewer, power and natural gas connection already in place, walking tree lined paths and with a walking path separating the property and golf course and a park only a short stroll away, all this only walking distance to all main amenities of town including shopping, medical and schooling. Blocks of this nature are low in numbers and there is always a high demand for such. Do a drive by, see the quality of this development and call today to purchase your dream block of land.
