There's a lot to love about this property that exudes a cool retro vibe and offers a fortunate family a wonderful place to come home to. Loved by the one family since 1968, it rests on a generous block that backs directly onto green reserve that just acts as an extension of the backyard. Its split level design is very reminiscent of the era delivering a surprising spacious floorplan with multiple living zones and separately placed generous light filled bedrooms. Step out at the rear to the alfresco terraces and barbeque area, the sparkling pool and the very hard to find enormous over-height brick workshed with a toilet and sink and room for four cars, a boat or a caravan. Refreshed with new carpet and paint, move in or personalise to taste, just a few steps to the bus, Pennant Hills High School, parks, the station, Harris Farm Markets and Pennant Hills Public School.

Accommodation Features: * Bright split level floorplan, freshly painted and carpeted * Vaulted ceiling over the formal lounge and dining rooms * Formal spaces open to the rear terrace, casual dining * Family sized kitchen with island bench and dishwasher * Breakfast bar, the kitchen overlooks the backyard * Lower level with parquet flooring, internal laundry * Family room with a built-in wet bar and adjoining terrace * Four upper level light filled bedrooms, most with robes * Generous master suite with an ensuite, reverse cycle a/c * Striking retro main bathroom in excellent condition * Internal access large double lock up garage with storage

External Features: * Quiet family friendly cul-de-sac * Spacious 929sqm block backing onto reserve * Lawns and landscaped gardens front and rear * Barbeque terrace, covered alfresco terrace, large pool * Outstanding large brick workshed with over height roller door and ceilings and a tradies toilet and sink
