This charming blonde brick veneer with a refreshed bathroom and kitchen welcomes you to the prized school catchment for Mount Waverley Secondary College (STSA), surrounded by the suburb's popular parks, shopping malls and transport connections. Infused with beautiful natural light across almost every room, the bright 3-bedder sits on a magnificent flat 758sqms (approx.) with 20m (approx.) frontage – presenting potential subdivision for new town homes (STCA) or to craft a stately modern mansion. Freshly painted, with character hardwood floors in mint condition, the home offers the choice of 2 living spaces, with a front lounge overlooking the street, and a family room set alongside the kitchen to serve as a versatile space to eat and connect. Among the updates are s/s kitchen appliances, a tiled bathroom with shower, bath and vanity, and ducted heating, with a Hills Hoist clothesline in the vacant rear yard as well as a double garage at the end of the extended driveway. It's a home and a location primed for a bright future in this lovely parkland district close to Mayfield Park and playground, Heany St Reserve, the Scotchmans Creek Trail and Huntingdale Wetlands, with nearby bus and railway stations, Monash Fwy and Eastlink connecting you from the city to the coast, a short drive to the shopping, dining and entertainment hubs of The Glen, Pinewood Shopping Centre and Chadstone the Fashion Capital.
