This beautiful cottage, located on large, shared block of land is made for simple living and is begging for a nature lover to call it home! Featuring 3 bedrooms, 2 of which include built-in wardrobes, this home is perfect for a couple or someone with one or two children. The kitchen, while small, is perfectly functional and sits open plan with the lounge. The home is heated by a split system and wood coonara, and cooled by a split system. A separate, split level, upstairs lounge can be used as a bedroom, study or relaxation space and features beautiful views out the front windows of the cottage. The main bathroom features a spa bath/shower combination and a separate toilet. The separate laundry includes plenty of storage. Outside this property impresses with a huge front decking, grassy yard, two open parking spaces and beautiful surrounds which include mountain and country views. IMPORTANT NOTES:- This property is on a septic system.- This property is a working farm, so many animals surrounds the property.- The owners will maintain the gardens, this will not be the responsibility of the renter.- All utilities are included in the rental price.- There is no fixed internet line, so wireless internet will be the only choices.- The owners live on the property, however the cottage is still perfectly private from the main houses.
