If space is what you're after, then this large home has 322m² of living (424m² under main roof) and with having 5 double bed sized bedrooms with built in robes, this home will provide for the newly combined or large family. The kitchen with full size fixtures, stone bench tops/breakfast bar and twin fridge recess, will cater for all the troops. The additional front lounge, separate dining room location, office study, (or 6th bedroom) AND additional carpeted rear games room, will permit several big screens to pacify the observers. All comforted with ducted reverse cycle air conditioning. Limited secure steel gate side access for small trailer, pop top or dingy. 2 patios allow for the selected friend BBQ entertaining with the 6x3 met below ground swimming pool for enjoyment. Ideal location being around the corner to the Big W shopping complex, nestled on a 795m block in cul de sac safety. Within access to the Forrest highway North and Bussell Highway South Contact exclusive agent to register for the group viewing, focussing on the financially preapproved buyer.
