With its kitchen and laundry already updated, this three-bedroom cottage invites you to complete the package. Situated on approx. 1,195m² lies a blank canvas, the 3-bedroom home features a central lounge area with split system cooling/heating and ducted heating, a renovated kitchen with quality appliances, integrated dishwasher and plenty of storage. All three bedrooms are a generous size and offer built in robes & ceiling fans, a large renovated laundry. Additionally, outside offers an impressive carport, good shedding - perfect for toys and tools as well as the advantage of rear access via a laneway.
