Impeccably finished over two light-filled levels, this brand new two bedroom residence brings together quality interiors, a smart floorplan and easy-care gardens for truly modern low-maintenance living. This contemporary beauty has space in spades, with manicured gardens preceding a separate lounge on entry and where rear gardens form a green backdrop to light-filled open plan living. The sophisticated kitchen featuring stone counters and quality appliances stylishly incorporates a butlers nook/laundry space and fully tiled bath and powder rooms follow suit with stone counters, sleek cabinetry and statement black tapware and fixtures. Double bedrooms with mirrored robes are set on their own floor along with an on-trend bathroom and modern amenities include Oak floors, alarm, heating/cooling and an arbored carport that doubles as an alfresco entertaining space. Central to Merri Creek trails, Bonwick Street shopping, Fawkner Station, Fawkner Leisure Centre and Charles Mutton Reserve, inspection will impress.
