The unmistakable treasure of the street, this magnificently crafted c.1905 residence is a rare combination of impeccable character seamlessly interwoven with high-end contemporary updates. The grand façade with its graceful symmetry, on 1138sqm of northeast to rear land, segues to interiors of open-hearted welcome, offering exceptional appeal for growing or blended families. Soaring ceilings and expansive windows show traditional architectural appeal while capturing natural light throughout each of the generously proportioned rooms. The kitchen is a triumph of cutting-edge design with its lavish use of Super White marble and suite of Fulgor, Liebherr, and Bosch appliances. Landscaped gardens compliment the stately lines of the home adjoining the covered outdoor entertaining verandah with barbecue kitchen and the relaxing saltwater swimming pool.
