This magnificent architectural designed tri storey home is sleek and modern. Downstairs comprises polished floorboards throughout the living area, stunning modern kitchen with lots of bench space and stainless-steel appliances. A full-sized laundry and powder room and direct access to the single LU garage. Upstairs are all 3 bedrooms, with BIR's and WIR and ensuite to master. Plus, the central main bathroom with full sized bath. Then there is the bonus of the loft with pull down ladder that can be used as an additional living space, home office or even another bedroom. Other features include a private courtyard, alarm system and remote controlled garage.
