Penny lane is in your ears and in your eyes, and you can understand why! If you're looking for a property that has everything to offer inside and outside, space and storage with everything to keep the kids entertained, then this is the property for you, one with the lot!• The spacious floor plan allows for great entertaining, very generous bedroom sizes with walk in and built in robes, especially the master bedroom with ensuite and walk in robe.• Open plan living and meals adjacent to the well-appointed kitchen with quality appliances, ample storage including a large walk-in pantry.• The rumpus room and theatre room, lounge room and formal dining spaces are fantastic for nights in or entertaining family and friends.• Family bathroom, separate toilet, evaporative cooling, ducted heating, spacious office with cloak room and a lock up garage completes the floor plan in the main home.• Modern cosmetics with quality floor coverings, window furnishings, fixtures and fittings• The detached garage offers a games room with bathroom and toilet plus a kitchenette, split system, window furnishings and new carpet. This is a perfect space for dependent living, home office or workspace, short term accommodation or just as it is.• The attached garage will house two cars comfortably with room for workshop and storage, then there is a double carport ideal for boat or caravan storage with access through to the rear yard.• The fun bits include solar heated in-ground pool, 1/4 size basketball court, large paved outdoor entertaining space with some cover and open air and plenty of lawn area for the kids and pets to enjoy on the fully fenced 3449m2 allotment with all services available. Properties like this don't come up that often beneath the blue suburban skies. View privately or at the scheduled open homes.
