Hidden within a quiet enclave of Maleny and just minutes from the centre of town is this beautifully presented, family-friendly haven. Contemporary finishes and fixtures are on show throughout the well-designed floorplan where you are also treated to three bedrooms and two bathrooms. Soaring ceilings are on show throughout the open-plan kitchen, dining and lounge room while the extra living area extends the layout even further. For the entertainer, the covered patio will be a favourite place to unwind and with lush established gardens already on offer, the eager green thumb will feel right at home. The garden also includes large vegetable gardens as well as established fruit trees such as blueberries, guavas, limes, lemons, mandarins, oranges, bananas and more. This stylish and move-in-ready abode is perfectly positioned within easy reach of boutique shops, cafes and amenities promising absolute convenience without sacrificing peace or privacy. - Contemporary and stylish family living so close to the heart of Maleny- A 3-bedroom, 2-bathroom layout including your luxurious master suite- Multiple living areas, a gourmet kitchen and a covered outdoor patio- Nestled on a good-size lot with established gardens and a leafy outlook- Minutes from Maple Street's busy shops, cafes, restaurants and amenities
