Nestled on a generous allotment amongst picturesque leafy surrounds, this well-presented home offers the quiet and calm of a tree top sanctuary. The floorplan maximises space to provide multiple living areas, and the established grounds enhance the relaxed lifestyle in this peaceful location. Spacious living on the entry level forms the heart of the home with a generous living room and combined kitchen and dining adjacent. The master suite has an ensuite bathroom and built in robes. A private balcony is accessed from this space, offering a spot to relax with a morning coffee and enjoy the home's verdant surrounds. Two further double bedrooms are serviced by the central family bathroom, and both bathrooms have picture windows framing the tranquil bush views. The lower ground floor accommodates a large rumpus room with deck access, the laundry, WC and workshop. Outside there is plenty of garden for children to play, along with a hot house and space for a large veggie patch. The terraced garden is a fabulous feature and adds to the serenity of the location. Close to the nearby nature trails of kunanyi/Mount Wellington and 'the local' Fern Tree Tavern, this property affords an idyllic mountain lifestyle that is still within easy reach of South Hobart Village and Hobart's CBD.
