Enjoy the ease of this well-located property, a short walk from the centre of Castlemaine, and minutes from shopping, eateries, schools and galleries. With the Diggings National Park and its walking paths on your doorstep and within easy reach of both Bendigo and Melbourne, it is the perfect lifestyle location. Desirable with its large rooms and high ceilings creating a sense of light and space, this mid-century weatherboard home has been lovingly lived in for the past 23 years and is ready for a new owner to make it their own. Set on a generous 808 square metres (approx.) of land with established gardens, grassed areas, huge outdoor entertaining area, fernery, shed and double carport. Two generous bedrooms plus a smaller third accommodate sleeping, and the cosy lounge has gas log fire and large window capturing the morning sun. The eat-in kitchen, reminiscent of the era, is the hub of the home. Large with plenty of cupboard space, gas cooker and open to the living, it is the perfect spot for family meals, a cuppa with a friend or just the spot to share the day's stories. A central family bathroom accommodates with shower, bath and vanity, and to the rear of the home the toilet and laundry are accessed through a large utility room that could be a perfect playroom for the kids. With its family friendly location and enviable big backyard, plus scope to make this a larger family home (subject to council approval), 5 Preshaw Street is the perfect choice for the modern family seeking the country lifestyle.
