Presenting this absolutely stunning family home nestled in a quiet family friendly location, walking distance to wallan primary school and close to all amenities in the heart of wallan. This architecturally designed home is a perfect blend of space and comfort. Stepping in through a wide entry you are welcomed with spotlights from a high ceiling and a feature wall which divides a spacious formal lounge convenient for a large family or guests. Comprising 4 bedrooms, large master with walk-in robes and ensuite, 3 other bedrooms serviced with a family bathroom, separate toilet, spacious laundry, refrigerated heating and cooling system, ducted vacuum throughout for hassle free cleaning. Light filled open plan kitchen with meals/dining area, walk-in pantry, 900mm stainless steel cooking appliances, inbuilt water filter, dishwasher and skylight. Another great sized living room adjoining kitchen is equipped with a fireplace overlooking the backyard. Stepping out is the stunning part of home with a massive fully enclosed outdoor entertainment area which is compatible for large groups of families and friends with refrigerated cooling to provide extreme comfort. A fireplace is an add on for a warm experience in the cold winter. The backyard is perfectly landscaped and lots of space for gardening with a separate shed for storage. Two clotheslines for convenience, Ramp access with handrails from laundry, secured side access with a gate, Drive through double car garage with a roller shutter door to rear which is operated with remote. Location at its best within walking distance to Wallan Primary School and Wallan Secondary College, close to Wellington Square Shopping Centre, Medical facilities, Cafes, Restaurants, Parklands, Sporting grounds and more. Easy access to Wallan Train Station and Hume freeway. Features include Refrigerated heating and cooling. Solar Panels Ducted vacuum Security Cameras Fans to all bedrooms Quality light fittings and window furnishings Garden shed Remote control drive through double garage Indoor and outdoor fireplace Inbuilt water filter Roller shutters Security doors Do Not Miss This opportunity!!!
