**\$1,652,000**

Experience the joys of prestigious parkside living within the sought-after East Doncaster Secondary College catchment area with this peaceful, private and perfectly-positioned four-bedroom family home in the exclusive Milgate Estate. With acres of sprawling parkland accessible via the back gate, leave your worries at the door as you chase the kids around the vast green expanses or enjoy family picnics beneath a canopy of trees. The positive appeal extends to the home itself, which makes harmonious family living possible with its two living areas, two modern bathrooms, zoned accommodation and indoor-outdoor lifestyle enjoyment. The elevated nature of the vast formal living/dining room allows you to admire the leafy outlook with your feet up in front of the open fireplace; those same views can also be enjoyed from the bright main bedroom, which boasts a renovated ensuite, full-length balcony and plenty of privacy within the home's dedicated accommodation wing. The impressive size and scale of the communal open-plan living (with study nook) and large modern kitchen instantly appeals; evaporative cooling, ducted heating, three-car garage with access to underhouse storage and relaxed alfresco entertaining are further highlights within walking distance of Milgate Primary School and minutes from The Pines Shopping Centre, transport and the Eastern Freeway.
