Under this ownership this property has been super freshened. A great space internally, a gorgeous, private yard, fully secured rear fencing, wonderful outdoor living and established citrus and vegetable patch. Strong capital investment by way of a 6.6 Kw Solar Panel System feeding back into the Ergon Grid, you will surely not have worries regarding electricity bills here on Rosendahl. Winter is warm here, the slow combustion Wood Heater wraps its arms around you when you walk on in from your day, keeps you surrounded by warmth all winter long, all you need to is insert the wood, coupled with quality reverse cycle Air Conditioning you will be comfortable no matter the season. You have a Lounge, Dining, a gorgeous Kitchen, sleep out day bed space and an outstanding sunroom, from here and from the Kitchen sink you can look out over the city and to the mountains from this elevated location. There is so much to desire in such a location, the quietness, the openness of this situation, most importantly, this is a true home offering you a true sense of belonging. So get yourself home here, click the remote garage, park your car and yourself. You are Home.
