This cottage-style residence in Chirnside Village provides comfort and convenience in a sweet low maintenance package. Fronted by a picket fence and colourful gardens, the home emanates the charisma from the Victorian era and is introduced by a bullnose verandah. Inside, you will be taken by its elegant characteristics such as tall ceilings and embellished walls with dado railing. Two bedrooms with sliding built-in wardrobes, along with a lounge that could potentially serve as a third bedroom, welcome you within. The master suite boasts ensuite-effect access to the home's full-size bathroom. For formal occasions, the dining area with bay window is an inviting space to gather, while the family meals area, also adorned with a bay window, provides a cosy ambience for unwinding and socialising. Cooking will be a pleasure in the kitchen, which is equipped with modern stainless steel appliances, glass splash backs and a breakfast ledge. Stepping outside, you'll enjoy entertaining on the covered deck, surrounded by enchanting, low maintenance gardens. Further property features include a laundry with clothesline access, one toilet, ducted heating, one air conditioner, ceiling fans, handy hallway and shed storage plus a single carport with a remote-control roller door and an additional car space off road in the drive. Complemented by an idyllic location, this home is a short stroll to parks, bus stops, tennis and basketball courts, Oxley College, Chirnside Park Shopping Centre, Reading Cinemas and restaurants.
