\$905,000

Presenting an extraordinary offering in the heart of the exclusive Wentworth Estate, this supremely spacious four-bedroom home is the epitome of comfort, class, and convenience. Nestled privately in a serene cul-de-sac, you are greeted by a residence that offers seclusion without isolation, and luxury without pretentiousness. This recently refreshed abode is freshly painted, boasts new carpeting throughout, and is adorned with new, stylish roller blinds throughout the main living areas that subtly control the natural illumination. Walking through the grand entrance awakens a sense of true homecoming. With not one but three large living areas, this home provides generous space for hosting grand gatherings, indulging hobbies or simply stretching out in comfort. The exceptional zoned ducted reverse-cycle air-conditioner ensures every corner of the home is temperate perfect, meeting your every mood and season. Experience perfection from the heart of your home- The superior fully equipped kitchen. Designed to inspire culinary creativity with ample workspace, quality appliances, and endless storage, it's a stage set for culinary performances. Immaculately designed, the four spacious bedrooms ensure plush comfort. They present the perfect retreat after long days, offering a private space for solitude and relaxation. Slip into dreams in the master suite with a spacious ensuite and walk-in robe, a quiet sanctuary for rejuvenation. The triple garage provides abundant storage space without compromising the home's aesthetics. It allows for secure storage of vehicles and for pursuing personal projects. The home at 5 Row Close cul-de-sac, Wentworth Estate is not just a house; it's a lifestyle, a place where every corner reflects a commitment to quality. It offers a cohesive blend of comfort and convenience that touches every aspect of your life. We invite you to emboss your memories and experience a lifestyle only designed for a discerning few. Don't miss out on this incredible opportunity. Your dream living starts here.
