\$1,270,000.- \$1,300,000.

This stunning home sits beautifully on a wide high set block, with bush and mountain views. And that's only the beginning! After a long career in the building trade, the owners know what makes a house truly special, and I can tell you this house ticks all the boxes. Starting with the large guest suite with large ensuite, conveniently located on the bottom floor, allowing for privacy. Stroll up the beautiful custom made staircase into the heart of the home. On the right is the master suite with lovely bush and mountain views, there are his and hers double built in robes and large ensuite. Straight ahead is the large open plan living and dining with high ceilings and magnificent gourmet kitchen including a butlers pantry. The bright and airy, open plan living area flows seamlessly out to the outdoor entertaining area and into the fully landscaped low maintenance garden. Along the hall you will come to the main bathroom featuring a stunning free standing deep bath, extra large shower and vanity. There is a separate toilet and sneaky, hidden laundry to save you going down stairs to do the washing, they have seriously thought of everything, including a 5 zoned ducted air conditioning system! There is also plenty of storage under the house and in the double garage with remote control and internal access. When you finally decide to venture out from your new dream home, you are only minutes walk to pristine beaches, Warrell creek, shops, cafes, clubs and primary school. A short drive to National parks, 10 minutes to Macksville and approx. 40 mins to Coffs Harbour. Everything is basically at your finger tips. Inspections are by appointment only, call Lyn Scott now to book yours.
